BLOOM 2021
designer Viola Tonucci

Bloom is a leather basket that recalls the smooth lines of a flower and its petals; just like the blossom of the flower, the petals gently open and close up thanks to hand-sewn magnets.

This product can come as a collection of four different sizes where each welcomes the other perfectly as if it was a "matrioska"

Dimension:

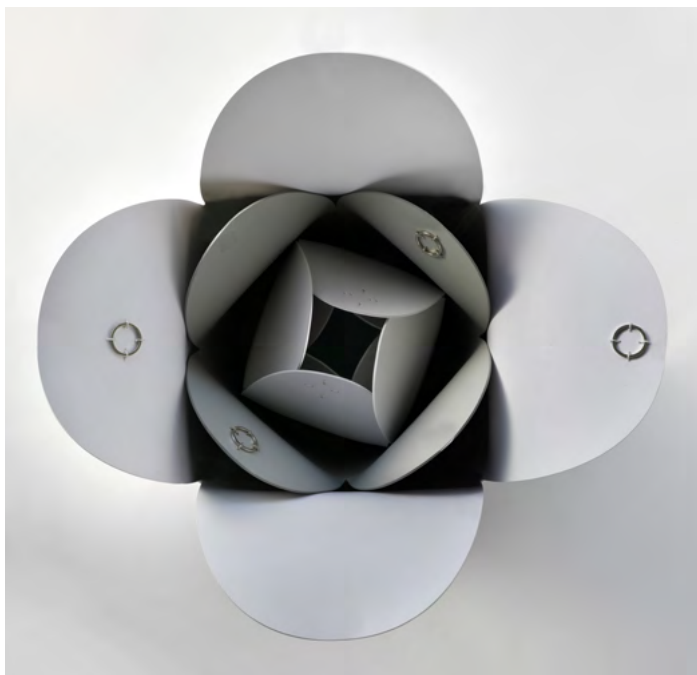

Large cm 34 x 31
Big: cm 26,5 x 23
Medium cm 20,5 x 19
Small cm 16 x 14

MAO 2012
designer Viola Tonucci

It is a simple ottoman reminiscent the cat snout. Made from one piece of leather shoulder and folded as an origami, it can be in full-grain leather or in frosted leather. Mao gained honourable mention at the Young&Design contest, Milan, in 2011.

Being one of our bestsellers, the Mao is frequently requested for the decoration of important spaces, such as the prestigious lounge of the MOMA in San Francisco furnished by the renowned American Studio "Aidlin Darling Design".

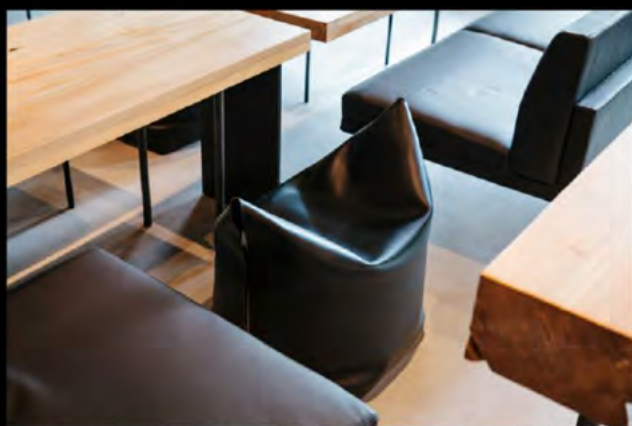

Dimensions: cm 72 x 42 x h 42

BAO Collection
designer Viola Tonucci

The BAO pouf is made from a single leather hide that is folded in the origami style. The collection is extended in sizes and combinations for different uses : BAO small pouf cm 47x45xh30, BIG BAO standard pouf cm 52 x 40 x h35, TALLBAO high dining seat cm 50 x 35 x h.50. Joining them together through leather belts, they give life to the BEBAO armchair and the BILLBAO, creative living areas that the architect can assemble by choosing different sizes and colors in infinite solutions. Both the inside and the outside of the ottomans are made out of suitable, fireproof and certified materials that can be used in any hospitality project.

Dimensions:

BAO cm 47 x 35 X H 30

BIG BAO cm 52 x 40 X H 35

TALL BAO cm 50 x 35 X H 50

BEBAO

Lounge chair

The designer Viola Tonucci widens the family of the BAO (cm 35 x 45 x h30) ottomans for TonucciManifestoDesign with new products made in leather and with the same production technique similar to the Japanese origami art. The hide of frosted leather is refolded on itself, from this gesture the ottoman is created and recalled.

BEBAO is a lounge chair made by combining 2 ottomans, TALLBAO (cm 50 X 35 x h50) and BIGBAO (cm 50 x 40 x h 40) held tight by a belt.

LULLABAO 2018

Designer Viola Tonucci

"The Sweetest Thing"...LULLABAO!

With the same folding concept of the Mao and Bao ottomans, Lullabao, a basket for the home, comes to life. Its design is clear and essential and the absence of seams testify it. The belts give Lullabao a better usability, by contributing to define its interior design identity as a nomad object.

Dimensions: cm 44 x 30 x h 20
